

inauguration of the Wilmer Institute, at the Johns Hopkins Hospital; he subsequently received the Leslie Dana medal, at the St. Louis Meeting of the National Society for the Prevention of Blindness, and in New York was made an honorary Fellow of the Academy of Medicine.

A man of great simplicity of character, of great industry and with a remarkable interest in all subjects he not only made many valuable contributions to his specialty, but has helped and inspired a host of pupils who are scattered all over this world.

ARNOLD KNAPP.
